

Bathymetric Survey on Berth Pockets

Number: PH 04/25

Date Issued: 26/02/2025

Date of Effect:	28 February 2025
Details:	Bathymetric Survey on PH1, PH2 and PH3 Berth Pockets
Former Notice:	N/A
Charts & Publications:	AUS53
Further Notice:	N/A
Attachment:	N/A

Mariners and port users are advised that bathymetric survey is planned to take place from Friday 28th February to Sunday 2nd March. The survey areas are noted below.

Additional areas may be surveyed along free berths. The survey will be completed from a vessel alongside berth pockets. It is expected that surveying each area shown below will take approximately 15 minutes per area, and will be organised around shipping.

The survey will take place during the day, with the survey vessel mobilising approximately 2 hours before the high tide and allowing approximately a 4 hour window for the works.

Mariners and recreational vessels are requested to proceed with caution when navigating in the vicinity.

All current Local Marine Notices are available on our website: [Local Marine Notices](#)
Port Hedland Harbour Master Team | Phone: (08) 9173 9030 | Email: ph.hmteam@pilbaraports.com.au
Mariners and other port users are requested to notify the Harbour Master on the discovery of new or suspected dangers to navigation within the port.

Any questions or feedback regarding this Local Marine Notice should be addressed to the Port Hedland Harbour Master Team.

Thank you.
