<b>Attachment:</b>	Port of Port Hedland port limits chart PH-121-009

Mariners and port users are advised the annual hydrographic survey is scheduled to commence on 07 March 2025, with expected completion on 20 March 2025.

The survey operations will extend from Lumsden Point to Beacons C1 / C2. This will incorporate the Inner Harbour, the complete Navigation Channel, and the area used for Channel Entry at Beacons 30/31.

The vessel "PURIYA" will conduct the survey works for the above mentioned time frame.

The vessel "PURIYA" will maintain a watch on VHF channel 12 and 16 and will display the appropriate lights and shapes as required by the COLREGS.

All incidents shall be reported to the PH VTS on VHF 12 or 16 or by calling 08 9173 9030 as soon as practicable.

Mariners should exercise caution when navigating in the vicinity of the surveying vessel.

Any questions or feedback regarding this Local Marine Notice should be addressed to the Port Hedland Harbour Master Team.

Thank you.
